I am speechless and heartbroken for her family. My mom, Maria, counted Judy as her best buddy for so many years. I can't pick just one memory yo share because there were so many. When my mom and Mrs. S. got together, they were just silly and crazy and laughed the entire time. I remember my mom telling the story about her and Judy trying to climb a chain-link fence. They got caught on the fence... BOTH of them! Then they were laughing so hard that they peed themselves. My mom felt so lucky to have had a friend like Judy that brought such unbridled laughter and fun to her life. Every time they got together resulted in an epic story, and as a young girl, I actually loved to be in their company because it was just amazing to witness their banter.

I hope that Judy is hanging with my mom right now, laughing and catching up. I hope that Judy's family is able to pull from the happy memories they have with her. And I pray that one day we will meet again.

Thanks for letting me tag along on some of your adventures, Mrs. S! You and my mom showed me how awesome friends could be ❤️❤️❤️

I had the pleasure of styling Judy's hair for more years than I can even remember. She was more than a client to me, she was a friend. Thursday mornings at the Salon will never be the same! Len, I am so sorry for the loss of your beloved Judy...I know how much you loved and cared for her. To your sons, daughter and daughter-in-law and of course Lucas, may you find peace in all of the memories you have of your mom and grandma. My thoughts and prayers are with all of you!
