“ Dear Gasca Family,

I always admired your Mom's loving and caring nature, not to mention her giving spirit. She always gave from Her heart and always thought of others first. I have fond memories of the times our family would visit Cerralvo or Monterrey. Baudelia would be visiting from Chicago and we'd laugh and share stories into the wee hours of the morning. She loved Tia Tomasa and her brothers so much!

Remember. . . .

Those we love don't go away, they walk beside us every day,
Unseen,
Unheard,
but always near,
Still loved,
Still missed and very dear.

As you grieve, please know that your family is in our prayers. May God continue to hold my cousin, Baudelia, in the palm of His hand.

With much love and a sad heart,
Irene Olivares-Arthur (daughter of Joe & Margaret Olivares)

“ God just received another Angel . I'm blessed to have had you and Mi Padrino Guillermo as my godparents growing up . I know both of you loved me very much that it hurts that I did not give you your roses while you were still alive. I will never meet anybody else in my whole life who have had so much strength and faith in her Lord and Savior. May you rest in paradise while you watch over your family. I You so much . I'll always be your pepino

“ Mrs. Gasca was always smiling, always had a kind word, had such a loving persona about here! She truly LOVED HER FAMILIA and that also included here family at school!!

Mrs. Gasca was such a wonderful person to work with, and like so many in 104 she made it not like working there but like you were spending time with family!!!

Everyone knew and respected Mrs. Gasca's expertise with the copy machines and her "private one and area" outside of the library!

Thank you Mrs. Gasca for all of the Wonderful memories and the opportunity to work with you and your wonderful family!!

Once again to all of the Gasca family, you are in my Prayers and your Mother will always be there in your hearts!!

“ Mrs. Gasca had a kind soul. She was very thoughtful and continuously spread happiness. When it was your birthday, she made sure to sing happy birthday to you and give you a special little gift. When I had my first child, you made the most beautiful dress for her. Mrs. Gasca will be missed but thought of often.
