“ Uncle Jay...you will be missed so very much! You always made us laugh and were such a warm, welcoming, loving Uncle. Thank you for always being there for my mom throughout the years. You meant the world to her and you mean the world to us as well. You always made a lot of time for us when we visited from NY and we cannot thank you enough for that. The family get togethers will always be remembered. Along with rides on the boat on Lake Michigan and hanging out at Alice's Moravia. It was great to watch you on TV at the Balckhawks game. We were so proud of you. Love you and miss you!

“ I can't even begin to tell you how I feel. Uncle Jay was the best. He was there for me when my Dad, his brother, left us way too soon. I will never forget his humor until the end. He enjoyed life to the fullest with his awesome music. I will miss him so much that it hurts. Wish we could be there for you. Love you so much. Thoughts and prayers are with you always.

“ My heart aches that I have lost a great friend, the best neighbor of 32 years I was so blessed to have, and a genuine gentlemen. I have so many memories, and like the person he was, he recently had enlarged a picture of my children when they were small and gave it to me.

My late Ashley, our family dog, would always run away. And for 14 years Jay would always search the neighborhood for her and she would come home in a black Cadillac. And then at the end it was Jay who brought me and my children to the vet hospital to have Ashley put to sleep. There were lemonade stands and signs he constructed and so much more.

He always had the best advice and was always willing to be my handyman. I'll never forget the time he came over with his "Get Smart" briefcase filled with tools to fix something in my garage and my neighbor teased "Jay is hiding his money in your garage!" That is just one memory of the countless funny memories with Jay that I know everyone has. So many memories, such a great loss.
