“ I can't believe that it's been a week since you left us. It's not the same without you. Every night, I always look into your room and I always think if I should check up on you, only to realize you are not in there anymore. I don't think that I will ever move on. I am always think about you. Thankfully, my boss gave me a 3 day leave from work. R.I.P Nana. I love you and I miss you so much.
