“ I am still shocked to hear of her passing. I just remember her calling me on the phone recently. I had mailed her some trip information. She told me about her hip surgery & all. I met her through the St. Symphorosa Senior Club. My husband & I went on many senior outings with her. She always wanted me to sing. I really don't know why because I don't have any kind of singing voice. She was a very nice lady. She will be sincerely missed by us.

“ I am so sorry about Alberta. She seemed like a lovely woman, though I only knew her slightly. She was always sitting just inside the door where I entered St. Cletus for Saturday afternoon Mass. The last time I saw her was just a few weeks ago, and she looked great. When I expressed concern that I hadn't seen her for awhile, she told me she had broken her hip, and had had surgery. Needless to say I was stunned to see in the bulletin that she had died. My sincere condolences to her family.

“ Alberta and I have been friends for over 40 years. We met at work (Foote-Jones). She either liked you or didn't. I was very happy she liked me. She was the one who planned a baby shower for me with my first child at the office. As years went by she always had my back. Once I left work to be a stay at home mom and she retired we continued our friendship. WE planned so many reunion parties for Foote-Jones once the company was sold. She was a blast to be with, always said what was on her mind. I loved her like a 2nd mom. Alberta I miss you and hope you have found the peace you so deserve.
