“ Even know we couldn't be there in person to paid our respect and accompany all of you, we were comfort by been able to at least be there via stream, thank you for sharing it, and for the beautiful tribute video. I will never forget how Alfred and Shirlee welcomed me into their family with open arms, you have special place in my heart. Thanks to him, we started the tradition of going to Wisconsin Dells every summer, and when we moved to Washington we continued that tradition by going camping every summer. A lot of great, fun and loving memories, rest in peace dear Alfred.

“ My great uncle Alfred was a bright light in this world. My favorite memory with him was when he found out I wanted to learn to play the guitar. He taught me how to play the opening of La Bamba! I'll never forget his warm hugs and welcoming voice every time I was there. I'm forever grateful to have called him my family.

“ Alfred there are no words to express how sad we are at your sudden passing. You were so loved by many and I hope you really knew that. You have touched so many people with your time on this earth. Please watch over your family as they go through this most toughest time of their lives. Your family loved you unconditionally forever and ever. We are sad we couldn't be with you and your family when they really needed us. You are with your mom,dad, brothers and many more who welcomed you home. My dear brother-in-law you will always be in my heart for eternity. Jose and I loved you very much. I am going to miss your voice in the background making fun of Shirlee and me for being on the phone for hours at a time. We always said we would be rich if we only had bought stock in the phone company 😊

Rest easy until we meet again Love always and forever Judy & Jose
