*There is an overcast of emotion
My whole world is ridden with sadness
You were the glue to our family
The Matriarch of our Domain
Without you who do I play cards
Who do I talk on the phone
No more Pinochle
No more I Love You
My heart is empty
My eyes are sore
As the tears flow down like raindrops
To have a Grandma like you
How lucky was I
You were always there for me
You have shown your support
You have shown your unconditional love
I love you Grandma and will be dearly missed*
