“ *Ted, life is an uncharted road running through hills and valleys. We pass through it by the grace of God softened by the warmth and humility of others at times and forged stronger by the flames of their loss and departure. Glory be to our God whom your mother knew and loved. (I watched the memorial). She raised a good man in you. I would like to think she was very pleased in who you have become. May your mother now rest in peace and may your heart find solace in her memory. Take care and stay safe.*

“ To the whole Kosowski Family - - I am so very sorry to learn of Alice's passing. I remember her at family gatherings and she was very sweet. I believe she had some of my handmade jewelry and she loved to chat. It was nice to exchange Christmas cards and I will cherish our encounters. May she enter Heaven's Gates swiftly and rest in Peace.
