“ Dear Thoma/Sobotka family, I am very sorry for your loss. I only knew your father/grandfather for a short while, but thoroughly enjoyed the time I did spend with him. I'm sure you are all taking comfort in the fact that he lived a long and full life. He leaves a great legacy in a family that I love very much.

“ Dear Grandpa - I know the last years of your life were physically painful and difficult. But, I'll remember you how I saw you last...travelling in a van with 2 of my friends along The Great Ocean Road in Australia. The look on your face throughout our time together told of a man who felt free and calm and excited about the adventure. I'll forever treasure that unique time we had together and am proud to have been the reason you came to Australia without telling anyone else! Oh, and I still have your \$2 shaving mirror that you left behind...I'll give it back to you when I see you next. Rest in peace. Your grandson, Jeff
