“ I am so sorry to hear of Aunt Vi's passing. It's so hard to lose those we love. My thoughts and prayers are with all of you at this difficult time. Uncle Ben was my Godfather and I always remember Aunt Vi and Uncle Ben getting me a birthday and Christmas gift every year when I was young. I always appreciated their thoughtfulness. I remember my grandma taking us to visit your family when we were little. I loved watching your family video. Full of life and good times. May you remember all the fun and memorable times as you mourn the loss of your mom, grandma, and great-grandma. My love to you all. ❤️

“ *Alvina's devotion to her family was evidenced by her childrens' devotion and appreciation of her as she experienced declining health these last years. The generous time and respect for her wishes given by the family was a reflection of what Alvina gave to the family during earlier years. Hopefully, this gives all of you comfort now in your grief.*

My thoughts and sympathy to all of you, especially my son in law Brian who loves

his mother very much.

“ *My condolences to the Drozd family. What a wonderful video that captures just a tiny tiny part of a beautiful life. Losing someone in death is something you're never truly ready for. For death to be a "natural" part of life, it sure leaves a deep wound behind. This is a time many turn to God looking for answers, guidance and comfort. So may you too look to the God of all comfort so that you're able to get thru this difficult time.*
