“ Amelia Gonzalez Rangel 7/31/36 8/1/24. I have so many fond memories of my Mom, she was dedicated to her family. I remember her always cooking delicious foods and baking for us. My mom loved her rose garden and always grew amazing flowers 🌹 My mom was hard working, she was also very enterprising and when I was young she sold Avon products and had Tupperware parties, she also made her own homemade chorizo to sell. I remember elaborate decorated birthday cakes, that she made with so much love! I remember trips to Lincoln Park zoo and the beach on warm summer days! Our trips to Mexico on summer break, she always prepared food for our long 2 day car trip! We visited so many places in Mexico, but my favorite was Acapulco, the beach, the cliff divers, the market place, the beautiful private residence we stayed at! Family always came first! My mom's love of Christmas was known to all, she loved to decorate, loved making special dishes on prepared on Christmas! Tamales, Bunuelo's, Turkey! Her grandchildren were her blessings, my daughter Amy is named in honor of my mother! My mom baby sat for them, took my daughter to school, I never had to worry, my mom took good care of her! My mom immigrated to the US when she was just recently married and I was in awe of how many obstacles she overcame! She didn't know many people here and her language barrier was a challenge, but my mom persisted and became a citizen! I always admired her dedication to family and work! I'll miss our mother's day outings to the greenhouse and miss you all the days of my life! ❤️ HASTA LA PROXIMA VIDA MAMA. Te quiero mucho, Martha Patricia, your 3rd born daughter 🙏

“ My grandmother and I were always laughing together. She taught me so much, like how to speak Spanish, how to cook, how to play cards, but most importantly, she taught me how to laugh always, even in the hard times. Here laugh was so full of joy and life. I'll miss you so much grandma, rest in peace ☐ ✨ ☐
