“ *My deepest sympathy for your loss. I too was a student of Mrs. Johansen. Couldn't have been a better introduction into the world of learning. That 1st spring I also learned Mrs. Johansen was a Mother! While watching Pony League games at Hanover Park there was Mrs. Johansen watching her boy Sonny break windows across the street. Was lucky enough to learned a lot more than scholastics, but how to be loving, caring, and respectful. God bless her soul*

“ Fred and Jo Ann,

*My deepest condolences on the loss of your dear mom. I absolutely adored her. She was my first grade teacher (1967-68), taught me to read, write -- and left an indelible mark on my life. In later years I would often see her at various events, and had the privilege of introducing her to my children, who were smitten with her too. Thank you for sharing your dear mom with me, and hundreds and hundreds of other Summit kids. Her memory will live on through all of us. I will never forget her.*
