“ I remember running up 62nd Street to welcome Aunt Rose home from Argo High School, as a youngster, sometimes on one roller skate, skate key securely around my neck on a shoe lace. Aunt Rose baby sat me, a favorite aunt. And then I remember Uncle Al courting her and squeezing my nose against the living room window to watch them sitting on the couch in the living room because he was so handsome! And then going to their wedding and visiting them on Troop St and the new house and the babies! Life is only a ripple in time. RIP Aunt Rosie until we meet again!
