We will always remember the Mexican Fiesta, we would all start out together, but by the end of the evening you wondered off, just listening to the music you loved, and with a smile on your face. May you Rest in Peace... You will be missed.

“ My grandpa reminded me of Al Lewis, grandpa Munster. He always had a good sense of humor. And he always liked contact, whether good or bad. He spanked me as child when I did bad. And hugged me when I did good,. An old school style grandpa that can never be forgotten.

“*Dear Uncle Antonio Martínez, you will always be present in our hearts and in our thoughts, confident that you are now in the presence of God.*

We will remember you with the joy that distinguished you when you came to Mexico together with my aunt Fannie and we lived together in the trajineras of Xochimilco, we visited the Basilica of Guadalupe and even Acapulco to mention some places. Great moments lived that we will never forget.

From Mexico the Martínez Cano family send a big hug to our relatives so that God helps us to have strength in the soul and consolation to overcome the pain of this great loss through his love.

“ Pa was a wonderful, loving and the most caring person. He love his family deeply. He was a great dance partner who loved his Mariachi music as well as his Tejano music. He loved to dance, sing and party hardy. He has gone home to his glorious creator and will be united with the love of his life, Fannie, and his sons.. Pa you will truly be missed but the memories you leave behind will never be forgotten. ❤️ Phil & Vero
