

Araceli Hernandez

October 11, 2002 - September 28, 2023

We celebrate the life of Araceli Hernandez who passed away on Thursday, September 28, 2023. Araceli was born in Chicago, IL and grew up in Central Stickney, with her loving, close-knit family; parents Rafael and Guillermina and her three older siblings; Sandra, Miguel, and Stephanie. Treasured Granddaughter of Maria Savala and the late Ruben Hernandez and Ramona Rivera and the late Juan Jose Navarro. She will be dearly missed by her many aunts, uncles, cousins and friends. Araceli attended Charles J Sahs Elementary School. Graduated from Reavis High School, obtained an Associate in Arts degree from Moraine Valley Community College and had begun her path at St. Xavier University to prepare for her goal to be a High School Algebra teacher and Basketball Coach. Between home and Jalisco, Mexico, where she spent her summers visiting family, she spread her smile, laughter, and positive energy. The most selfless person in the family always caring for others even during her difficult times. Even during those difficult times, she still managed to spread her contagious radiant smile.

Araceli never wavered in her passion of wanting to help people, recently becoming a basketball coach for kids and attending St. Xavier University to fulfill her dream of being an algebra teacher. She was always goal-oriented and was accomplishing her dreams right before everyone's eyes. She made her family proud with all that she was able to accomplish during her time here with them.

Araceli graced this earth for only a short time but leaves a legacy of kindness,

love and friendship. She was a treasure and inspiration to all. She will always be a ray of sunshine in everyone's life and an example of a beautiful person. Visitation is Tuesday, October 3, 2023 from 4 PM to 8 PM at Foran Funeral Home, 7300 W. Archer Ave.(55th street just west of Harlem). “ Araceli - a bright ray of light and the few times I did see her she always had a smile cheek to cheek which made the others around her smile as well. She always made me feel welcomed when we would see each other and was one of the happiest energies around. □
