“ Although I never did have the pleasure of meeting him, I wanted to express my sympathy for the passing of such a loved man. I am so sorry that you lost your dad, Susan, and I remember how proud your parents always were of you and your accomplishments. Safe to say, you won the "parent lottery" as I did and we are just so lucky. I will be keeping you and your family in my thoughts and prayers as you adjust to life without this beloved man on the other end of the phone. Diane Hettasch

“ Gus was one of the kindest and friendliest neighbors a person could have. He was always looking to help in any way. We had to get up early if it snowed or Gus would be out there doing ours!! His love for Lil, Susan, Pat and his wonderful grandchildren was all he talked about. He will be missed by all.
