“ To my Sister Barbara We love you so very much. The memories we share are Priceless. Our families were Families Without Blood We knew each other since we were children. Our parents were best of friends. So were we. More to come

“ Barb, with her warm smile and kind eyes, will be greatly missed. Her love of people and her dedication to her mother and education was inspiring. Barb welcomed me as an old friend when I first arrived at Byrne School, her alma mater. May heaven and all the angels welcome Barb. Life has lost one of it's greatest fans. My sympathy to her family and all who love her.
