

Barbara Ellen Selucky

October 9, 1945 - November 28, 2020

We celebrate the life of Barbara Ellen Selucky who entered into the arms of the Lord on November 28, 2020. She was the beloved Daughter of the late Stanley and late Stella, nee Havel Selucky. Dear Sister of Rosemary (late Andrew) Kowalski, George (Judy) Selucky and the late Edward Selucky. Fond Aunt to Robert Kowalski, Jan Kowalski, William (Beth) Kowalski, Keith (Jennifer) Selucky and Steven (Jessica) Selucky. Great Aunt to many nieces and nephews. Barbara graduated from St. Daniel the Prophet grammar school. She loved her parish and was involved in many activities. When she retired from her position as a secretary in corporate America she became even more involved at the Church. For many years Barbara was the cook at the rectory keeping her beloved pastors and priests happy with her delicious dishes. Her current position as a secretary in the parish office afforded her the opportunity to share her expertise, charm, generous spirit and heart of gold with many. The people of St. Daniel the Prophet Parish Community were Barbara's family. She was an extremely kind, down to earth person, a generous and dedicated friend and neighbor and a joy to know. With broken hearts we say good bye to our dear friend. Visitation will be on Thursday, December 10, 2020 from 10 AM until time of Mass at 11 AM at St. Daniel the Prophet Church. We will go in procession to Queen of Heaven Cemetery .

“ I never thought I would be doing this so soon....just way too soon. Barbara, (“Babs” as she allowed me to call her, after she told me only one other person she knew called her that) was so loved...rightfully so since she was to me “love, undefined”. She always was always there for people, unselfishly. If anyone would ask me to sum her life up, I would say without hesitation that she TRULY was a servant of God. This world suffered a tremendous loss with her passing. Those of us closest to her realize this and were fortunate to be in her presence to see her never ending love at work. Rest in peace Babs...all you've done while here will resonate for a very long time. You have truly earned your wings and I know you have your space reserved at our Lord's side. Thank you for all the love thru the years. Tony 🥺🙏🥺

“ I was so deeply saddened to learn of Barb's passing. She was a kind soul with a beautiful smile. She was such a thoughtful friend to my mom, Chris, over the years. Barb happened to be at the bakery and knew my mom liked strawberry rhubarb. So she dropped a strawberry rhubarb pie off at my mom's house. When they counted money at church, Barb knew my mom didn't care for donuts so she brought her a sweet roll instead. When my mom died this past August, and we went to the rectory to make arrangements, Barb greeted us at the door and grabbed me and drew me into a great big hug. She was so comforting, and it meant a great deal. If I remember correctly, my mom knew Barb going back to when Barb worked at Pticek's. My deepest sympathy goes out to the family. You are all in my prayers. I hope you find peace and comfort in all your beautiful memories.

Sincerely,
Karen (Cacucci) O'Kelly

“ Barb was a wonderful person with a huge heart, a beautiful smile and unending dedication to her church and parish. She always found time to chat a bit and would offer a sample of her kitchen goodies. This world lost a beautiful soul and heaven gained an angel.

“ She was my extended family. I also enjoyed seeing and talking with her when I went to the rectory or called there. After she would leave mass she would pass the house and toot and we would chat. It won't be the same. Love Kimmy Rehak-Stepanek

“ Our hearts broke when we heard the horrible news. Barbara always greeted myself & mom with a smile. She was a staple in the neighborhood. Always run into her at St Dans church/rectory or a local store. She was always one to share a story or life lesson. Heaven definitely got a good one. She will definitely be missed. Sharon & Amy

“ Barb lived across the alley from me. She always had a kind word. She was an angel here on earth and and an angel now in heaven. I will miss her.

“ Barb was one of the best friends and co-workers that I could ask for. Her light and happiness always comforted me when I was feeling down. Barb often visited me at the rectory during the evening shift, where we'd talk about life while enjoying some milkshakes or other treats that she brought over. Barb always believed in me, from my academics at DePaul to my radio hosting abilities on Radio DePaul, which I will never forget. I will forever be grateful for the memories and times together. May you rest in peace Barb, till we meet again.

Barb was a great friend.

Her love of life and of everyone and everything will forever be an inspiration to our family.

Our fondest memories were sharing the holidays and Ebner family special occasions with Barb. She had an infectious laugh!

She was always ready for some fun: to play a game, relate recent experiences, always having an interest in the lives of others.

Celebrate her life, primarily one of giving, until we meet again.

“ *I knew Barbara from the Saint Daniel Carnival which we both worked for many years. We would see each other in the neighborhood shopping and she would keep me up to date on all our mutual friends. She was very helpful in the Saint Dan's office when I had to go there. She was a sweet and loving person and I was privileged to know her all these years. Nona Cervenka*

My family and I were blessed with having Barb in our lives for 50+ years. We shared so many fond memories, holidays, late nights, trips around the country and family excursions. Barb was my Mother's dearest friend and was always carting her around town in her blue Nova, since my Mother Betty never drove. She was the kindest, most giving person and ALWAYS treated my family well. Barb will be greatly missed and now she is at peace with Betty playing cards, bingo and drinking many cups of endless coffee. We love you Barbarino!!!

“ *Basia was the most caring and loving person I ever know. She always was worry about everything and everyone, we spend a lot of time talking about everything while working together at St. Daniel the Prophet Parish. When I was not busy in the office I loved to help her in the kitchen to clean up. She always make sure I ate and always left a plate for me.*

I will miss her terribly, I will miss her singing "Where You there" on Good Friday, I always asked her to sing for me on Good Friday since I heard Basia singing this song for the very first time, it was SO BEAUTIFUL, she never hesitated to do it, it was like our Easter tradition. Basia had a beautiful voice and she loved God very much, I often heard her singing while cooking, she always remembered about my Birthday everybody's Birthday, and always make sure she made our day as happy as possible and she always was giving a gift connected to the person's interests or hobby. She always was on top of everything, she always make sure that everything is perfect. Basia was such a great loving person and Friend to many and she will be missed 💔 !!! 💔

Rest in Peace Basia 💔💔💔💔

“ I can honestly say Barb was one of the nicest people I have ever met. Over the years we had many dealings at St. Dans and she was of great comfort to my family when my mom passed away three months ago. I was honored to call her my friend. We sat together at 10:00 mass every Sunday and I always looked forward to seeing her. She will be sorely missed not only by my family but by the entire parish. Until we meet again my friend...
