“ *I love you so much. Benjamin, Nathaniel and Gabriel are so lucky to have had you for so long in their lives yet it feels like not near close to enough. You brought so much love and joy into our lives. There is a giant void in our lives without you. The seat you left will never be filled. I will miss you every moment of the rest of my life. I long to hear your voice and your laugh. I'll see you again mommy.*
