“ *My sincere condolences to Mr. Mike and the Kulaga family for the loss of such a wonderful woman. I spent 24 years living across from Mrs. Bern and she always treated my siblings and I like her own grand kids. She never missed a birthday card, even when we were away at college, and never let you go home empty handed after shoveling her snow. Her kind heart was well known by everyone she met, and she will be dearly missed.*

Eternal rest grant unto her O Lord, and let perpetual light shine upon her.

“ My sincere condolences to Mike & the Kulaga family on the loss of Bernie. I will miss Bernie's radiant smile & our "meet & greets" on the driveway for the latest info on the neighborhood. Mike & Bernie were usually on their way to watch one of the grandkids play soccer or some school function. She was truly a special person & young at heart.

“ I grew up living across the street from "Mrs. Bern." She was such a caring woman, and always remembered to think of myself and my siblings. It always made me happy to receive a birthday card or to swap desserts around holidays. Even though she had her own children, it still felt like she was looking out for each of us.

"Mrs. Bern" will be greatly missed. My sincerest condolences go out to her family.

“ I worked with "Bernie" many years ago at Bernard Industries. She was a lovely lady, always helpful. We had a lot of fun and I have special memories of her. We recently re-connected as I saw her anniversary announcement in the newspaper. I wrote to her and much to my surprise she remembered me and wrote back,

I know she will be greatly missed by her family. She was quite a lady.

“ *Bernadine was my co-worker/friend for over 30 years. She was always so helpful to me personally and was well liked by all. We kept in touch 18 years after I retired. She spoke about and loved all her family. My deepest sympathy goes out to each and every one of them. I will miss her.*
