“Daddy I miss you so much . My dad was the best at finding time to watch little house on the prairie with me after his long work days . We would have Swanson tv dinner while watching or a chicken pot pie . He was a blast at Bedford park or park at pastor Clark’s playground even if my bladder didn’t hold up till we left . Flying kites even when I walked off and ran home to go potty lol. He was a good sport . Loved have my Dairy Queen after church or in a weekend with him . Most of all thank you dad for teaching me the most important lesson about Jesus and leading me to salvation thru Jesus and Gods word .
