“ Dear Craig, Naneen, and Brice:
My condolences regarding the loss of your mother. What a pleasure it was to grow up with you all. "Mrs. Bernice" was one of the first and probably the longest remaining members of the little community we called our block. She was always a great friend to my family. We are grateful for that and will mark her passing with much sorrow.
All our Love,
Dave Kostush and Judy Guggenheim

“ My deepest sympathy to the Grudzien family. What a nice lady your mother was! Through the years, we enjoyed many dinners and events together. I don't think I ever heard her say a mean thing about anybody. Hank & Bernice were a wonderful example of what a marriage should be. Looking past to my childhood through adulthood, they were two of the kindest people I was fortunate enough to know. I am sure she is now in a special place because she was such a special lady!
