“ *What can we say about Little Mom but we loved her and her caring ways. Always a smile with wonderful words of encouragement she was one of the kindest and sweetest persons we have ever met. I will always remember her powder sugar horns - which was one of my favorites! She ws the epitome of what a great Mom should be. She fiercely loved Diane and Sharon and Jeff and Doug - but her proudest moments were spent loving Brad and Becki and Allison and Ben. Her life was her family and we always felt so special that she included us in her love. Little Mom may you be enjoying God's loving embrace for a life well lived! We love you! Bob, Sue and Alicia*
