“ I have so many wonderful memories of Grandma Betty that I don't know where to start. Grandma Betty as my daughters and I called her. My daughters when they were very young started to call Betty Grandma Betty and she just loved it and it stuck to this day. Who was the special woman called Grandma Betty to us? Betty was a kind, sweet, lovely women who opened her heart and welcomed me and my three daughters into her family of friends. We were so blessed to know Grandma Betty, she was pure joy to be around. Laughing and joking and always there if you needed someone to talk to. I thank God I became good friends with Patty Larkner- Betty's daughter years ago. We met at Jay Bee bowling alley. Patty and her best friend Michelle were bowling there and I was on a league there and I said something to Patty about bowling and we started talking and 35years later we're still friends. I am truly blessed because the friendship of Patty & Betty is a one in a million friendship. My daughters and I will cherish forever the love and friendship that Grandma Betty gave us and we will miss her dearly but she will be forever in our heart as Grandma Betty and she'll never be forgotten. To Patty Schab and family we are so sorry for the loss of your wonderful mother and our sincere deepest sympathy. She is in God's loving hands and at peace. May God bless you and your family at this time of sorrow and May her many loving memories bring you peace and love to your hearts forever.

Love,  
Cookie and family

“ Betty Larkner was a huge part of my Tripp Avenue life. I remember countless times when Betty, my Mom and I played around at our respective pianos, it was such a part of growing up! I remember her crazy laugh - she got everyone going every time and we had so much fun! But mainly, I am so grateful that she was there for my Mom. I know that she, my Mom and Lois Stripling are together again, sitting and continuing to laugh.

“ The Larkner's and the Jacobson's go back 80+ years when my folks rented an apartment from Betty's folks on Tripp Ave. My brother, Ronald in a little army uniform at 3-years old was Betty and Bob's ring bearer. Our families spent many holidays together. Betty's folks, Joe and Helen, lived 2 blocks from us in Pell Lake so the life-long friendship continued. I can still hear Betty laughing as she was either knitting or crocheting something as she told a story. I remember when Jimmy, Bobby, T.R. and Patty were born--yikes! The Larkner's are more than friends, they are family. Betty will always be remembered with only the best of memories by us.

“ Betty, Bob and family have been a wonderful part of our lives for nearly 75 years. Our mom and Betty were best friends for longer than thst, sharing their lives at every turn. I can't even guess as to how many times they sat and chatted about family, vacations, births, deaths, over a strong cup of coffee and coffee cake. As kids growing up with Jimmy, Bobby, T.R. and Patty, we got in a fair amount of mischief, and had to explain all that to both moms!

*Life has a way of sifting through our fingers, but it was how much living we did over the course of those years that matter.*

*Betty was like a second mom to all of us, we will miss her more than words can say.*

*With all our love, the Stripling family.*
