“ I met Bill when he was in his 30's. His huge heart and even bigger presence was infectious. I can say he was a treasured friend, who's brilliant quick mind keep you laughing and on your toes. He shared himself and family with me and I am blessed to have been embraced. I know he is in heaven smoking cigs with my mom. He was thrilled to spend time with her, she smoked, I didn't. I only ate steak when Bill made it. Anyone who had the pleasure to see his domestic was in for a treat. I just always needed to know he was a phone call away. Sending all myLove to Marylou, Gina & Vince.

“ *There is only one Bill Williamson! His stories ,his smile, his unmatched sense of humor which had until the end. I am glad to have known him 52 of his 59 years. As I write this my tears give way to laughter thinking of all the things we did together. He will be missed. Paul V.*
