“ Dear Bonnie,
Mom and Dad saved the best for last.
You showed us all how to forgive, to be kind, to be loving.
Mom always wanted me to be more like dad, I wish I could be more like both of you.
You raised three amazing kids all by yourself, you did that the best of all of us. You left them a wonderful example to follow. You gave us a great example of how to live and die with dignity and love. Your presence will be missed but the memory of you will remain with us all as long as we live.
God blessed us with you for this short time, now he has you with him forever.
Thank him for us. You are a blessing to us all. This world is a sadder place without you.

“ *In the fondest loving memory of Bonnie (my 2nd mother)..I will remember your sweet voice as I hear it through my mind. Most of all I you will forever be remembered by your most precious and loving gift of all and that was your big gracious heart and caring ways. Their are not enough words to describe your caring nature for people and how much you did for everyone around you. I truly don't know where I'd be without you and the kids. Heaven has gained an Angel and you are now granted with peace. Your beautiful nature and personality will live within my heart and the hearts of many I'm sure. You are loved Miss. Bonnie and for surely all will miss that smile and tender voice of yours. Love always Paul.....*
