“ There are so many memories of Bonnie especially the memories of her and her brothers Lolo and Marcos when they would visit us in Big Wells Texas we would all be outside hanging around and then we would all dance she would laugh at us. She never got upset or mad she was always so happy. La coneja we called her. Yes she will be missed so much by so many rest in paradise with all the angels. You are now with grandma grandpa and are dearest family members.

“ Hello everyone my name is Giana, I stand here before you today in honor of my Ta, my Nina. Went in the hospital march 27 2023 but sadly passed June/13/2023. My Ta was a very strong woman who fought very hard through out life until god granted her angel wings and called her home ending her suffering.
She was the best person in the world. We are going to miss playing Lotería and left right center even when she would get mad when she was not winning. she would come to our house with a full bowl of quarters and at the end she'd have none but she was happy with just spending time with the memories we made together as a family. I will forever miss those memories as you fly up in paradise. We love you
