“ Brandon visited many times to our house. He came to visit all of us and I hug around with my grandson Steven B. They knew each other since school. He loved eating all my goodies I made cookies or cakes he ate them all. He love his sweets. Also remember us taking him out to eat on veterans day. Rest in peace Brandon.

“ I won't forget Brandon showing up to my mother's funeral. I never got to see him much and didn't get many opportunities to talk to him often, but I have family who I speak to more often than I spoke to Brandon, who did not show up to my own mothers funeral, even after making preparations to pick them up and thier suits up to take them to the funeral. For that I am forever grateful and appreciative of his presence. Gone but never forgotten. We/I love you Brandon. It was always a welcome sight to see you.
