“ *On this day, we took grandma to Sage’s, our local apple orchard, and she loved the mini pumpkins. As she was looking at them, I asked her to pose by them, and she happily did so. Little things brought her happiness, the same way she brought happiness into our lives each and everyday. If you look closely, you can see her star earrings. She bought a big pack of earrings at the mall when she was with me, and she wore a new pair everyday. She loved all the different colors and styles and was really excited about how stylish they all were. Seeing a new pair of earrings each day she visited me always brought a smile to both of our faces. I love and miss you so much grandma.*

*Love, Katarina*
