“ I have many fond memories of Aunt Carol. When I was in my early teens & Uncle Jim was working she would let me stay overnight. She talked about her kids, funny stories & marriage and we watched Johnny Carson till midnight! It was an escape from my normal life & fun. She loved her kids & grandkids for sure. I hope the love from your mother's heart will help you through this time. Even with her gone that will never go away. Sincerely - Judy
