“ I will always remember Cathy as my daughters second mother. When my daughter Melissa first started coming by my mom and dads house across the street on weekends when she was just around 5 or 6 years of age Melissa became fast friends with Cathy's youngest daughter Cindy. From then on it was a whirlwind of fun of them being best friends. From learning how to swim in the pool they had, sleeping overnight (even on school nights even when school was just right out the back door of Cathy's house), going on vacation, going places together even if it was just right around the corner.  
Melissa always had a second mother in Cathy when she was growing up. I will always be grateful to her for that. Amen rest in peace Cathy you are a loving soul in Gods eyes.

“ I will always love my beautiful baby sister. We had a perfect relationship and never in 62 years did we have a disagreement. I am so grateful to her for the love she always gave me and for the love, affection and attention she gave to my daughter, her niece Courtney. She was always there for for her and Courtney is a better person today for the love she shared with her Aunt Cathy. We are all better persons for having been loved by Cathy. I will miss her forever.

Love, Kevin
