She survived by her son Paul Johnstone, daughter-in-law Meriona Campion, daughter Carol Johnstone and partner David McGuire, and her sole granddaughter Olivia Riccio.

“ Carol and Paul, So many wonderful memories of Celeste as a good neighbor, family friend and early feminist. She inspired me to think about living life as a woman beyond the standards of her generation. She and your Dad were regulars at the many parties in the Pribble family basement. Always celebrating with the rest of the Summit crowd! I like to think that's what they are doing now. I am sorry that I'm unable to express my condolences in person due to a work conflict. I hope you find comfort in the many memories you share of a life that was very well lived. All the best, Holly Pribble
