“ Adrienne Renay and Dr. Hamidani, sending all our love, support and prayers. "With tears we saw you suffer, As we watched you fade away, Our hearts were almost broken, As you fought so hard to stay. We knew you had to leave us, But you never went alone, For part of us went with you, The day you left your home."

“ By far one of the most interesting individuals I've ever met in my life. He seemed to dabble in a little bit of everything. Always had interesting tidbits to share. As I currently deal with cancer myself, it's so heartbreaking to see others, especially those that I knew, succumb to the disease. You will be missed, Sir. Rest easy.
