“ To; The Ploszek Family: It is with great sadness that I heard of your dad's passing. Not only was he my first boss, but he started me on my long career in education. I always admired your dad, and I wish I could have been the father and school administrator he was. He was strict but fair, and to my knowledge a wonderful husband and father. My prayers are with you and him. Sam Santora

“ I am saddened to hear about Mr. Ploszek's passing. I worked for him as a student aide while in high school at ACHS and he and his wife were close friends with my mom and dad, Gen & Hank Kaput. Mr. Ploszek was the nicest man I've ever met. His gentle demeanor and genuine warmth was always present. He always had time and a smile for anyone that came his way. I will always remember him fondly.
