“ *Joanne and Chuck were like a 2nd set of parents (although Joanne was more like another college friend). I never felt more welcome in someone else's home and camper.*

“ *Joanne, Paulette and Steve,
Know that all of you are in our thoughts and prayers at this difficult
time.
How can anyone who knew Charlie not miss that wonderful smile
and
sense of humor.
We go back a lot of years, many great lunches, golf games and
great
engaging conversations of which Charlie would lead the way.
God Bless all of you, and God Bless you Charlie.
You will be missed, but not forgotten.*

“ As the father of my close friend Steve, I was blessed to have shared time with one of the most wonderful, sweetest man that the world has seen. A guy who could hold court anywhere, capturing the attention and dominating a conversation with the funniest things and the greatest stories ever. An audience was everywhere waiting for Charlie to come along and certainly brighten their day. God seems to put only a small number of his most special here for us, to make us smile and laugh. A treasure to be sure, a man that had to be heard, and we all loved what he had to say. His brightness shined through all the darkness of today, I will miss him as he was certainly like an Uncle to me. I will miss the quick wit, great laugh, and his thought provoking comments. I never tired of them. The last time i saw him he came out just to see me and say hello. I kissed him and told him I loved him. I will miss you dearly Charlie.
