“ The years we've shared have been full of joy. The memories we've made will go on and on. I haven't stopped crying since you went away, and I've asked God time and time why couldn't you stay. You lit up my life, my hopes, and my dreams. You've opened my eyes to see what it all means. So now that you're gone how can I forget; Because you were the greatest out of all I have met
