“ I was very fortunate to work with Tina at Lyons Township High School. Her warmth and caring demeanor brought a smile to me and those she worked with. High school is a difficult time for many teenagers and she encouraged, loved and inspired 17 and 18 year old students each and every day as if they were her own child. One of my fondest memories was her love for my chocolate éclair cake, which I often made for staff members birthday and holiday celebrations. Years ago, she asked me for the recipe, however she couldn't figure out why it didn't turn out like mine. We reviewed the recipe over and over for errors, and couldn't find any. After several failed attempts to replicate the éclair cake, she asked me to make the cake for her for a family party, which I was honored to do. We talked again about why the recipe never turned out for her when we realized she was cooking the pudding, instead of using instant pudding. We giggled about it for months afterwards. She was a very special lady who left a lasting impression on many students and staff at LTHS.

“ *Tina was my sister Ute Smith's best friend for many many years. She was a loving person I knew most of my life. She had a kind disposition and an infectious laughter. She will be missed by many. She will be dearly missed. She is surely lighting up heaven with her beautiful smile, and loving disposition. Rest In Peace.*

“ My family was so lucky my brother moved next door to Tina and introduced us all. My family began to grow and lucky for me and many others Tina loved those babies! I don't know what we would have done without Tina helping so many of us with our kids! I will forever miss your kindness, your smile and that giggly laugh.

“ I am so sad, not just for her family & not just for all of her friends & myself, but for the whole world, because she was such an incredibly bright light that nobody could ever deserve losing such a heaven-sent gift as her. I have no memory of her that doesn't make me smile. For the rest of my life, I will be sorry that I failed to spend more time with her and envy all of you that did. Thanks to God for blessing all of us with all the time we had with her. May God bless all of us with better memories to keep her spirit alive in all of us forever. Bryan Beedle
