“ *We enjoyed all the dinners out and parties and game playing together at each others houses while you were in Florida year after year staying with your daughter. We were one big group of friends and family as neighbors of Vince and Marilyn. You always had educational fun conversation and participated in any activity we did. You will be very much missed as we gather together without you and share the valuable memories we have of you. Yatzee won't be the same without you.*

Love to you in Heaven.

“ She was welcoming, warm, funny, loving human being! She loved to feed you, sit with you and listen to whatever you had to say!

I was fortunate to have known her and through her generosity experienced being a part of the family. She was my dearest friend's mother, she will be missed but will I never forget the sense of belonging.

*Thank you Tillie.
