“ A wonderful friend and neighbor. So generous with his smiles and greetings “over the fence”. Dan was always there to lend a helping hand, both to my parents, when they lived in this house, and then to me and my family when we moved in. The world is a better place because of him. He will be greatly missed! 🙏

Dan was a good neighbor to my parents and helped them whenever they needed a favor. It is blessing to have a good neighbor like Dan. He was kind to my sister too after my parents passed and she lived next door. He was friendly to talk to when I came to visit my sister. He always was helpful and shared canopies for backyard parties or whatever we needed, Dan always was willing to lend a hand. He definitely made this world a better place. I will miss him too because good men like him are few. I pray he can now rest in peace.
