“ Our deepest condolences to Dan's life partner, children, grandchildren, sister Debbie and the entire family. This comes as quite a shock. Just corresponded with Dan via messenger last week and all seemed to be going well.

While we lost connection for years, it was great to reconnect through facebook and catch up on life events and reminisce about the "old days". He so loved his family and was honored and proud of his grandchildren.

May memories shared with Dan comfort you in these difficult times.  
Rest in peace cousin - Pete and Kathy
