“ It was thanks to David that I had a parakeet for almost 20 years. When we were in the feed store, she escaped while David was trying to box her up for me, as she flew around the store, David told my hubby if he caught her she was free..that's all my hubby needed for incentive. He caught my bird and true to his word David gave he to us free. David will sorely be missed my our family as the Salecki's have been customers for decades. Our sympathy to the Bestwina Family at this very sad time.
