“ Joe, I am so sorry for your loss. I do know this is one of the things you will ever have to do thru. please know that Debbie isn't suffering or in pain no more. I can tell that the hurt will not leave soon, but please know that surrounding you are family and friends that love you so much and don't hesitate to lean on them or the mugs for support , it will help. Try to remember the good times you shared with her in raising a great family and just please remember that I have gone thru this and it isn't going to easy but again you be able to carry on. Joe if you need anything or just want to talk and listen to please know that I am a phone call away. love , butchie
