“ Dee was such a special woman and made anyone that she was around also feel special- at least I know she always made me feel that way- she always had something funny or smart to say-loved to have good conversation- she was my friend-I only knew her for a few short years but I will truly miss her 😞 To Conrad and her children please know that you were her world- always had nothing but good things to say about you all and too how she loved to spoil Mia. Rest In Peace Dee 🙏 We will miss you but won't forget you 😞
