“ *I was so happy that you two found each other at church. Where better to find a mate? I was very excited when you got married at St. Fabian. May memories of his love for you get you through this tough time.*

“ Remember Denny well from our 4 years at Loras. We were hallmates our Freshman year in Beckman Hall, and roommates our senior year in an off campus apartment that was frowned upon by most of our parents. Had to do with our neatness, I guess. I know he loved teaching and am glad to see that he did so well at Marist.
My deepest sympathy.

“ My condolences to you, Evelyn. I had the honor and privilege of teaching with DK at Marist for 19 years. I have taught for 40 years and have never met a finer man, a kinder man, a more beautiful soul than Denny. I will keep you and those who loved him in prayer. I think I can safely say that there is great rejoicing in Heaven as they welcome DK home. May God bless you.
