“ To the dear family of Dolores,
Bill and I were the next door neighbors to Dolores and John and family from the time the children were youngsters. Their dad died way too young, but we remember Ginger, and backyard pool, and the basement music. (Tom & friend) would be looking in from the basement window! I'm so sorry we caused issues when we moved, but I can only pray as I offered communion to Dolores & Judy at Our Lady of the Woods, that somehow forgiveness happened. D. worried when Judy had surgery and just was a great mom. She did love her job and worked so hard. God bless her and all her family. Jimmy, Judy and Ray - you and your uncles will always be part of our family's younger days memories. R.I.P. Dolores, you helped this world be a better place while you lived! Our love and sympathy to your ever-growing family, Lorraine and Bill Bonk
