Our deepest sympathy to Dolores' family. I worked with both your mom and dad at Sun Chemical. Your dad was a light in our QC Lab for many years and your mom worked in our office. She was a very sweet lady and all of our co-workers loved working with her. She is now in peace and together with your dad. Dorothy & John Basta

“ *To Helen, Tina, Don, and Family,*

Your Mom's journey is over, she is at peace, and with loved ones who have gone before. Hers was a life well lived by a sweet lady who could be, and always was, proud of her family.

You were an absolute, unfailing Godsend to her in her last years. The way you cared for her demonstrates what a great mother she was to instill such character in you.

May your memories of her always bring you comfort and a smile to your face. It has been a pleasure and delight for us to know her.

“ *Helen,
No words can express the feelings of a loss of
a Mother. Our hearts and prayers go out to
you and your family. Just fill the hole you feel
in your heart with all the beautiful memories
you have of her when you were a child and as you grew into a adult.
Hopefully In time, it will fill that hole.
All our love
