“ Dear Kwilos Family,

I met your Mom at Dollar Rent A car almost 30 years ago. We quickly became friends and our friendship grew stronger over the years. She was an incredibly wonderful woman and friend. We shared so many good times and I have countless memories of her and your Dad. She was such a soft spoken, loving, caring, compassionate, giving and humble person. We had so many long and wonderful talks. She loved her family and was so proud of each of them. The last few years, I would call her on Friday on my way home from work and we would talk until I realized I was sitting in my driveway. It made my drive home go so quickly. I thank God for bringing her into my life and I thank God for the privilege of calling her my friend and the honor of calling her my sister in Jesus Christ. As I bid farewell to my dear sweet friend, I will cherish her in my heart for the remaining days of my life. Until we meet again I will hold our memories close to me and will be forever thankful for your gift of friendship. I love you.

“ *I am sorry to hear of Dee and Ray's deaths. Dee and I worked together over 30 years ago and we touched base every Christmas. What a lovely woman and wonderful family. They will be missed!*
