“ I'll always remember all the love and intention Gram put into hosting all 9 of her grandchildren for summer camp up at Clam Lake. She and Grandpa would create elaborate treasure hunts, take us horseback riding and go-karting, not to mention feed us all week! We'd get a survey to fill out every spring to request our favorite activities, cereal, meal, which room we wanted to stay in and more.

In her later years I loved watching Gram sing You are My Sunshine and Happy Birthday to Mandy on the edge of the bed, which she did every morning, and Mandy would rest her head on Gram's shoulder. It was very sweet to behold!
