“ My deepest condolences to the Capperelli family: 'Cappy' and I worked together for 24 yrs [ starting from the old Fillmore Dist ]. He was one of best guy's [ and friend ] that I knew. He used to visit my brother [ he was an operating engineer ] at Garfield Park all the time and he would tell me, " Hey, I seen your brother ". He alway's had a smile and a slight laugh when we talked together- we would always joke.

I've lost so many friends, but 'Cappy' is one of the special ones'. All I can say is God  
Bless him and your family John- he will not be forgotten!

Sincerely,

Tommy Gierut CPD Ret [ 011th Dist ]

“ My sincere condolences to all of Don’s family and friends. I met Dom and Arlene many years ago while visiting Jim and he left a very lasting impression on my heart. For sure, he was a gentle giant. God must have needed him for something really special. And you’ll all know why when you one day meet again. God bless you all, especially Arlene and Jim.

Lol...Mrs Capparelli would say.. yes she is here, I will send her home...great memories and great times as a kid growing up. Sending prayers to all you guys....you made my childhood awesome. XOXO
