“ Don, you were always quick witted and razor sharp with your comments, I really enjoyed working with you from time to time over the years, your passion for fishing was only outweighed by your ability to find humor in the most inane things. I feel honored to have known you and an deeply saddened by your passing. May your family find comfort in all the wonderful memories they have had with you over the years. You were truly one of a kind. Is be hard pressed to find someone who worked as hard as you did and never let annoyances get under your skin, I will never forget you my friend. Until we meet again, Joe
